

TASKI Shine Up

Water-Based Furniture Polish

Description

A general-purpose water-based emulsion cleaner-polish best recommended for use on waterborne soils, stains, smudges and other marks. Leaves a high gloss finish on the surface.

Benefits

- Contains a blend of carefully selected silicones and special cleaning ingredients dispersed in water by special active agents.
- Contains both solvent and water which makes it efficient cleaner to dissolve both oil-based and water-based dirt and stains.
- Offers convenience of use – Cleans, polishes and protects at the same time.
- Ready-to-use – saves time and labor.
- Offers less in between maintenance since surfaces stay clean longer. Also prevents scratching from dry cloth cleaning. Acts as a temporary barrier for spilled liquids.
- Safe to use on variety of surfaces because it does not contain abrasive ingredients.

Designed for

- Cleaning, polishing and protecting furniture and equipment in commercial, industrial and institutional accounts
- Works magic on most surfaces, including both metal and wood furniture, office equipment of all types, wood and ceramic paneling, water coolers, fixtures, filing cabinets, chrome trim, silver trophies, coasters, leather articles, stainless steel, brass and porcelain surfaces, enamel finishes, painted metals and vinyl.

Use instructions

Fill a clean spray dispenser with Shine Up.

Hold dispenser about 8 inches from the surface to be waxed and spray a light mist to it.

Wipe immediately with a soft, clean cloth. Do not allow spray to dry before wiping.

No second cloth needed.

Air dry. Protects from dust and dirt.
